## believe | belong | become

# we believe in GOD the Father, the resurrection of His Son Jesus Christ and the life giving power of the Holy Spirit.

we also **believe** that as you attend church on a regular basis, you will grow in faith and love and begin to live out the dreams GOD has for your life.

we want you to **belong**. we are a family and we enjoy life. we need each other and there are so many ways to get into the life of the church. we host many smaller gatherings that create an environment where very special relationships are formed.

the Church is a place to **become** who God wants you to be. our church is Christ centred and Bible based, and our God given vision is to train, equip and raise up men and women of God who lead and make an impact in every sphere of life.
