Dear Rhema Congregants

Following the national address by President Cyril Ramaphosa last night, the Leadership of Rhema Church will suspend Sunday Church gatherings with immediate effect in order to limit physical contact and prevent the transmission of the Corona virus. The health of our congregation is our priority.

It is vitally important to maintain connection and community as a church during this health crisis and so we will be live-streaming our Sunday services in order that we maintain our spiritual health and not our physical health only.

We will keep you informed regarding our services but in the meantime we pray that you will join us online – we can still worship God and receive the Word together via technology!

In the meantime let us stand together in faith and pray Psalm 91

Yours sincerely

Rhema Bible Church North
