

# LEVEL 1

lockdown update on  
services at Rhema Bible Church

As of the 1st of October we have been on level 1 of lockdown as the daily cases of the COVID-19 virus have reduced significantly since July. These have been a trying seven months for us as a people and as a church but we stand onto the truth that no weapon formed against us shall prosper.

Ps Ray and Mrs Zelda McCauley would love more than anything for us to gather as a church in our building again. Oh how excited we are for that day! That said, Ps Ray's first priority is the safety of our church body; its members, staff and volunteers. As a large church with many members it is incumbent upon us to be responsible to our fellow citizens by being as careful as possible to keep the virus from surging once again. Therefore we will not be gathering together as a church in our buildings yet. We will communicate any changes regarding this as they arise via our emailer, SMS and WhatsApp.

Please continue to join us every Sunday via live streaming on our social media pages and website at 8am, 10:30am and 6pm on DsTV, GauTV and StarSat at 11am. Soon we will be able to send a low data version via WhatsApp to those who subscribe, at no cost. We will update you once we have this in place.

We value and appreciate you, may God bless and keep you safe.

From the Management Team on behalf of Ps Ray and Mrs Zelda McCauley

"The LORD says, 'I will rescue those who love me. I will protect those who trust in my name.'" - Psalm 91:14
