## Welcome

Abraham prayed, he trusted God for an heir (a child to carry his name into the future). His request took a long time, but he was patient and had a good attitude while waiting. We would like the children to understand that prayer is very important and that sometimes we have to wait and be patient when we have prayed. Patience helps us to grow as Christians and when we see an answer to prayer come, let's praise God for His faithfulness.

**Abraham prays for an heir:**

Are you patient when you pray or do you find it hard to wait for things? Perhaps there are things in your life that you have prayed about and you are waiting for God to answer them? During the waiting period, will you have a good attitude? Will you exercise your 'Faith muscles' by reading God's Word? This will help you stand strong as you believe for what you have prayed for? Sometimes waiting isn't easy! Knowing that the Holy Spirit can help us to pray, to wait and to be patient, helps us to trust that we will see an answer to our prayers as God is faithful.

In today's Bible story we see two people who already trust God but are waiting for something special. It seems to be taking a very long time and some people may even give up! But not Abraham, he had a promise that he was holding on to until he saw it with his own eyes. Because Abraham and Sarah never gave up they saw their promise come to pass. In the same way you may have a promise that you are holding on to. You will need to be patient and go through all the things life may put in your path. But you can be sure that God's promises are true and He is Faithful.

Remember patience is not just waiting for something; it's having a good attitude while you wait. Abraham prayed and he waited a long time but God gave him an heir and Abraham became the 'father of many nations'. He saw his promise but it all started with a pray, lots of patience and waiting in faith.

**Remember our Key Point: "Pray, believe, wait and see!"**

## Life Application

*(Time to reflect)*

Abraham prayed, he believed, he waited patiently and then he saw God do a miracle.

### Questions:

1. Have you prayed about something you are waiting to see happen? Why not share with your family and pray together, trusting that you will see God's Kingdom come and His will being done in 2021.
2. If you have to wait for something, what is the most difficult thing for you to be patient for?
3. Can you remember from the Bible Story how old Abraham was when he was told he would have a son and how old he was when Isaac was born? (75 & 100 years old)
4. So from question 4 you can see that Abraham waited 25 years for his promised. What could you pray about today, even if you know it may take a long time to be answered?

Be encouraged that God answers prayer. Let's begin today by praying, believing, waiting and then seeing that amazing things happen, when we ask God and allow Him to do things His way.

## Prayer Time

Thank you God for sending the Holy Spirit to help us.

Thank you Holy Spirit for helping us to pray and to believe.

Give us the strength we need to be patient as we wait for an answer to our prayers.

Thank you for your Faithfulness.

Amen.
